**PETITION TO WITHDRAW HOLDING OF
ABANDONMENT UNDER 37 C.F.R. §1.181 AND
PAYMENT OF ISSUE AND PUBLICATION FEES**

Mail Stop Petition
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

This Request To Withdraw Holding of Abandonment Under 37 C.F.R. §1.181 is responsive to the Notice of Abandonment mailed December 19, 2008, in the above-identified U.S. patent application. The Notice of Abandonment indicates the above-identified U.S. application is abandoned for failure to timely pay the Issue Fee.

It is respectfully submitted that the Notice of Allowance dated August 26, 2008, was never received in our office and therefore never processed within our docketing system. We conducted a thorough search of all docketing systems and the file jacket to determine if the Notice of Allowance was ever received. All records maintained by petitioner indicate that the Notice of Allowance was not received.

Attached are Exhibits 1-2. Exhibit 1 is a copy of the record from our docketing database maintained by the petitioner where the non-received Office communication would have been entered had it been received and docketed. Exhibit 2 is a copy of the page from the manual docket book of McDermott Will & Emery Issue Fee Payment Department for the due date of November 26, 2008. The Notice of Allowance was therefore never received in our office.

As evidenced, the Notice of Allowance was never received in our office and it is requested that this Petition alleging non-receipt of the Notice of Allowance be treated as a Request to Withdraw Holding of Abandonment and the **Petition Fee be waived**. It is believed that this Petition supports the revival of this application due to the non-receipt of the Notice of Allowance.

It is respectfully requested that the Abandonment be rescinded and the application be returned to pending status.

A copy of the Issue and Publication Fees transmittal form and an authorization to charge the Issue Fee (\$1,510.00) and Publication Fee (\$300.00) to Deposit Account 500417 is being filed concurrently herewith.

Based on the above, the application should proceed to the issuance of the patent. If anything additional is needed, please contact the undersigned immediately.

To the extent necessary, a petition for an extension of time under 37 C.F.R. 1.136 is hereby made. Please charge any shortage in fees due in connection with the filing of this paper, including extension of time fees, to Deposit Account 500417 and please credit any excess fees to such deposit account.

Respectfully submitted,

McDERMOTT WILL & EMERY LLP
